

Sponsorship Request for Indiana District 6 Little League Golf Outing

August 21, 2026

Dear Community Partner,

Indiana District 6 Little League proudly invites your business to sponsor our **2nd Annual Indiana District 6 Little Leagues Golf Outing** to be held on **Sunday, October 18, 2026**, at Grandview Golf Course in Anderson, IN. This event connects Little League volunteers, families, golfers, community members, and local businesses for friendly competition and community support. More importantly, it is an opportunity to invest in youth and volunteers who make Little League Baseball and Softball possible in Indiana District 6.

Our mission is to provide children in our communities with a positive, safe, and inclusive Little League experience that builds character, courage, and loyalty. Through baseball and softball, we strive to help young people develop confidence, teamwork, sportsmanship, respect, resilience, and a lifelong connection to their community.

Proceeds from the golf outing will directly support Little League Baseball and Softball programs in Indiana District 6, serving Delaware, Henry, Madison, Fayette, and Wayne Counties, including Anderson, Connersville, Elwood, Hagerstown, Muncie, New Castle, and Royerton. Sponsorship funds help provide resources that enhance the experience of our players, teams, leagues, volunteers, umpires, and district tournaments.

Your sponsorship will make a meaningful difference while providing valuable visibility for your organization among participants, families, volunteers, and community supporters. Sponsorship opportunities and related recognition benefits are included with this letter with additional event information at <https://indiana6.org/Golf/>.

To secure your sponsorship package, please contact us by **September 15, 2026**. We sincerely appreciate your consideration and your commitment to helping us create meaningful opportunities for youth in our district.

Regards,

Brian Bane

Assistant District Administrator and Golf Tournament Director
